### **About Landec Corporation**

Landec Corporation is a company that leverages its proprietary polymer technologies, application development and innovation capabilities to develop and commercialize new products in food and biomaterials markets. Landec's subsidiary, Apio, has become the leader in U.S. fresh-cut specialty packaged vegetables sold in North America based on combining Landec's BreatheWay® proprietary food packaging technology with the capabilities of large scale processing and national distribution. Lifecore Biomedical, a subsidiary of Landec, is a premium supplier of hyaluronan-based materials and medical products to ophthalmic, orthopedic and veterinary markets worldwide. In addition, Lifecore Biomedical provides specialized aseptic fill and finish services in a cGMP (current good manufacturing practices) validated manufacturing facility for supplying commercial, clinical and pre-clinical products. Landec will also periodically work with market-leading companies to develop and commercialize differentiated polymer-based products under R&D and royalty agreements. For more information about the company, visit Landec's website at [www.landec.com](http://www.landec.com).
